

DESCRIPTION AND FEATURES

The **SuperNitricecs PF** disposable gloves in blue nitrile offer reliable and versatile protection for a variety of applications. They are designed to provide high puncture resistance while also offering improved dexterity for precise handling. Additionally, their exceptional comfort makes them pleasant to wear throughout the day.

- Blue nitrile disposable gloves.
- Suitable for medical, therapeutic, food, and industrial use.
- Micro-textured fingertips for better grip.
- Highly resistant and safe.
- Suitable for contact with food.
- Ambidextrous.
- AQL 1.5.
- Shelf life: 5 years.

LEGAL REGULATIONS

Class I: Medical Device according to Regulation (EU) 2017/745, with standards EN 455-1, EN 455-2, EN 455-3, EN 455-4.

Category III: Personal Protective Equipment (PPE) according to Regulation EU 2016/425, with standards EN 21420:2020, EN 374-1:2016+A1:2018 Type B, EN 374-4:2019, EN 374-5:2016.

INSTRUCTIONS FOR USE

Before putting on the gloves, make sure they have no defects; insert your hand inside and adjust them gently.

Store them in a dry and cool place, away from light.

They are intended for single use and should be disposed of in an environmentally friendly manner in appropriate waste bins, in accordance with current regulations.
