

DESCRIPTION AND FEATURES

The **Vinicecs PF** transparent vinyl gloves are an affordable option with a powder-free texture. Although they do not have the same premium quality features as the previous products, these gloves offer basic protection suitable for general use. Their affordable price makes them accessible for various applications that require minimal protection.

- Disposable gloves, made of vinyl.
- Micro-textured fingertips for better grip.
- They are highly resistant and safe.
- Suitable for contact with dry, non-wet, or greasy foods.
- Ambidextrous.
- AQL 1.5.
- Shelf life: 5 years.

LEGAL REGULATIONS

Class I: Medical Device according to Regulation (EU) 2017/745, with standards EN 455-1, EN 455-2, EN 455-3, EN 455-4.

Category III: Personal Protective Equipment (PPE) according to Regulation EU 2016/425, with standards EN 21420:2020, EN 374-1:2016+A1:2018 Type B, EN 374-4:2019, EN 374-5:2016.

Store them in a dry and cool place, protected from light.

They are intended for single use and should be disposed of in an environmentally friendly manner in containers suitable for recycling, according to current regulations.

INSTRUCTIONS FOR USE

Before putting on the gloves, make sure they have no defects; insert your hand inside and adjust them carefully.

FEATURES

Reference	Size	Box	Carton	Length in mm	Width in mm	Minimum thickness in mm	
						Finger	Palm
12012	S	100 units	10 boxes	240	85 ± 5	0,07 ± 0,02	0,05 ± 0,02
