

**EU DECLARATION OF CONFORMITY**
FOOD CONTACT

The manufacturer Icemedics SL declares that the black disposable glove collected under the name of Nitricecs Black PF Nitrile Glove with references 66002, 66003, 66004, 66005, has been imported taking into account the food contact safety requirements established in the Directives and European Regulations.

The specifications contained in the harmonized European standards as a glove suitable for contact with food are:

- European Regulation 10/2011, EN 1186-5:2022 that establishes the basic standard necessary for the verification for the migration of plastic constituents and objects intended to come into contact with food.

According to Commission Regulation (EU) 10/2011, the total migration of the above-mentioned products did not exceed 10 mg/dm² under the following test conditions:

Simulant	Temperature	Time	mg / dm ² migration
Ethanol 10%	40°C	120 min.	3
Acetic acid 3%	40°C	120 min.	3
Ethanol 20%	40°C	120 min.	3

The organism responsible for certification and compliance with the regulation is TUV SUD, referring this declaration of conformity to Test Report No. 60.431.20.0648.01

This declaration of conformity is issued under the sole responsibility of the manufacturer.
