

## EU DECLARATION OF CONFORMITY FOOD CONTACT

The manufacturer Icemedics SL declares that the blue disposable glove collected under the name Ocean 30 UD blue nitrile glove with references 13002, 13003, 13004, has been imported taking into account the food contact safety requirements established in the Directives and Regulations Europeans.

The specifications contained in the harmonized European standards as a glove suitable for contact with food are:

- European Regulation 10/2011, EN 1186-5:2022 that establishes the basic standard necessary for the verification for the migration of plastic constituents and objects intended to come into contact with food.

According to Commission Regulation (EU) 10/2011, the total migration of the above-mentioned products did not exceed 10 mg/dm<sup>2</sup> under the following test conditions:

Simulant	Temperature	Time	mg / dm <sup>2</sup> migration
Ethanol 10%	40°C	30 min.	5.2
Acetic acid 3%	40°C	30 min.	9.2
Ethanol 20%	40°C	30 min.	5.2

The organism responsible for certification and compliance with the regulation is Satra Technology, referring this declaration of conformity to Test Report No. CHM0320579/2209/JH

This declaration of conformity is issued under the sole responsibility of the manufacturer.
