

DESCRIPTION AND FEATURES

The **BlackNitricecs Plus** gloves, with their weight of 5 grams, represent a significant advancement in black nitrile protection. Combining enhanced strength and exceptional comfort, they meet strict standards in various sectors, from the automotive industry to catering. Their unique texture provides optimal grip, making BlackNitricecs Plus the ideal choice for reliable and stylish protection.

- Disposable black nitrile gloves.
- Micro-textured fingertips for improved grip.
- Highly resistant and safe.
- Suitable for food contact.
- Ambidextrous.
- AQL 1.5.
- Shelf life: 5 years.

LEGAL REGULATIONS

Class I: Medical Device according to Regulation (EU) 2017/745, with standards EN 455-1, EN 455-2, EN 455-3, EN 455-4.

Category III: Personal Protective Equipment (PPE) according to Regulation EU 2016/425, with standards EN 21420:2020, EN 374-1:2016+A1:2018 Type B, EN 374-4:2019, EN 374-5:2016.

Store them in a dry and cool place, away from light.

They are intended for single use and should be disposed of in an environmentally friendly manner in appropriate waste bins, in accordance with current regulations.

INSTRUCTIONS FOR USE

Before putting on the gloves, make sure they have no defects; insert your hand inside and adjust them gently.

FEATURES
