

DESCRIPTION AND FEATURES

The Flocked Latex Glove has been specially designed to provide a superior level of comfort and increased moisture absorption. Its flocked interior enhances comfort, making it the preferred choice for tasks requiring prolonged glove wear. Whether handling wet materials, working in food processing, or performing household chores, the combination of latex durability and the inner comfort of this glove ensures that you can carry out your activities with ease and efficiency.

- Material: Natural Rubber
- Lining: Flocked
- Length: 300 ± 10 mm
- Available Sizes: S, M, L, XL
- Color: Yellow

This glove combines strength and performance, ensuring reliable protection while optimizing comfort, making it an ideal choice for various professional applications.

LEGAL REGULATIONS

Category III: Personal Protective Equipment (PPE) in accordance with European Regulation EU 2016/425 under the standards EN ISO 21420:2020; EN 388:2016+A1:2018; EN ISO 374-1:2016+A1:2018; EN ISO 374-5:2016.

INSTRUCTIONS FOR USE

Please be aware that latex gloves may trigger allergic reactions. In the event of an allergy, promptly seek advice from a medical professional.

Prior to donning the gloves, ensure they are free of defects; insert your hand and adjust them gently. Store them in a cool, dry place, shielded from light.

These gloves are intended for single-use and should be disposed of in an environmentally responsible manner in containers designated for waste separation, adhering to prevailing regulations.
