

DESCRIPTION AND FEATURES

The **SuperNitricecs Plus** disposable gloves are high-quality blue nitrile gloves designed to provide optimal protection in various applications. Their powder-free formulation ensures exceptional tactile sensitivity. These gloves offer increased resistance to chemicals and infectious agents, ensuring reliable and safe protection.

- Thick blue disposable gloves.
- Suitable for medical, therapeutic, food, and industrial use.
- Micro-textured fingertips for better grip.
- Highly resistant and safe.
- Suitable for contact with food.
- Ambidextrous.
- AQL 1.5.
- Shelf life: 5 years.

LEGAL REGULATIONS

Class I: Medical Device according to Regulation (EU) 2017/745, with standards EN 455-1, EN 455-2, EN 455-3, EN 455-4.

Category III: Personal Protective Equipment (PPE) according to Regulation EU 2016/425, with standards EN 21420:2020, EN 374-1:2016+A1:2018 Type B, EN 374-4:2019, EN 374-5:2016.

Store them in a dry and cool place, away from light.

They are intended for single use and should be disposed of in an environmentally friendly manner in appropriate waste bins, in accordance with current regulations.

INSTRUCTIONS FOR USE

Before putting on the gloves, make sure they have no defects; insert your hand inside and adjust them gently.

FEATURES
