

Technical Datasheet

Super Absorbent Pads – Blue 40x60, 40g
Super Absorbent Pads – Blue 60x60, 40g
Super Absorbent Pads – Blue 60x90, 40g
Super Absorbent Pads – Blue 90x150, 40g

Technical Information:

Super absorbent pad made of 40g cellulose with a polyethylene backing for waterproofing. Provides excellent protection and liquid absorption for beds, chairs, or other surfaces. Designed for single use, ideal for individuals with urinary incontinence or those confined to bed. Features side folds to prevent leaks and evenly distribute moisture across the pad.

- Material: Cellulose, non-woven fabric coated with polyethylene
- Absorption Capacity: ≤ 500 ml
- Sizes: 40x60 cm, 60x60 cm, 60x90 cm, 90x150 cm
- Type: Incontinence pad
- Available Sizes: One size
- Weight: 40 grams

Regulations and Usage:

- Intended Use: Hypoallergenic, single-use absorbent protection with high absorption and retention capacity. Designed to absorb and protect surfaces from moisture.
- Risk Classification: Class I, according to Rules 1 and 5 of Annex VIII of the Medical Device Regulation (EU) 2017/745, dated April 5, 2017.
- Conformity Assessment Procedure: Annex II and III of the Medical Device Regulation (EU) 2017/745, dated April 5, 2017.

Usage Instructions:

1. Place the pad on the desired surface, ensuring it covers the required area.
2. Use the pad to prevent leaks and protect the surface from moisture.
3. After use, dispose of the pad properly.
4. Store the product in a cool, dry place away from direct sunlight and out of reach of children.

Recommendation:

It is important to store this product in a cool and secure place, out of reach of small children. The Super Absorbent Pad should be disposed of after use. It is advisable to keep it away from direct sunlight.

Logistics Information:

Labeling in Compliance with Applicable Standards

Presentation:

- Packaging: Pack of 30 units
- Carton Packaging: 10 packs per carton
- Color: Blue
